## CONSTITUTION OF THE PLUM BLOSSOM IMPERIAL LINEAGE

CONSTITUTION OF THE PLUM BLOSSOM IMPERIAL LINEAGE CODIFIED FROM  
THE 46 PLUM BLOSSOM BOX INSTRUCTION BOOKLET - ISSUED MARCH 4, 1938  
PREAMBLE

WE, THE HEIRS AND CUSTODIANS OF THE PLUM BLOSSOM IMPERIAL  
LINEAGE, RECOGNIZE THE SACRED DUTY BESTOWED UPON US THROUGH ITS  
DESIGN, HONOR, AND HARMONY.

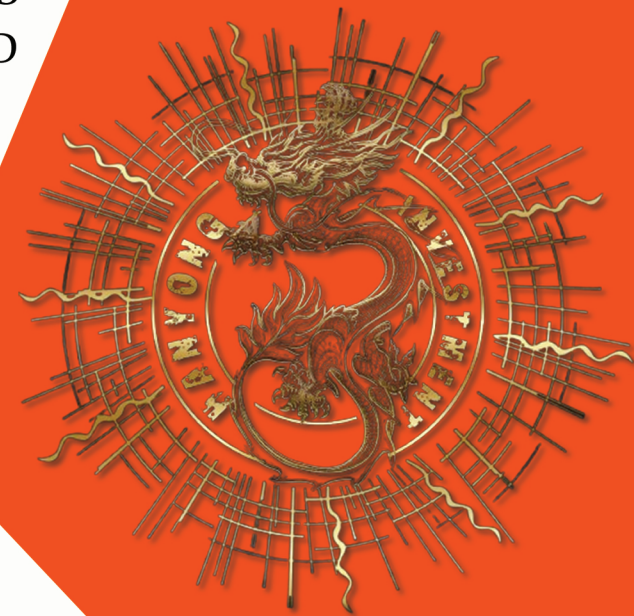

THIS CONSTITUTION, DERIVED FROM THE 1928 INSTRUCTIONS, SERVES AS  
THE FOUNDATIONAL CHARTER FOR THE DIVINE HARMONY AND  
ENLIGHTENMENT OF THE LINEAGE.

### ARTICLE I: FAITH AND CHARACTER-BASED CONTACT

MEMBERSHIP ENGAGEMENT SHALL OCCUR THROUGH A SACRED,  
ONE-WAY CONTACT INITIATED BY A FAITH TOKEN.

CONNECTION MUST BE ROOTED IN THE INTERNAL SINCERITY OF  
INTENT. THE UNWAVERING WILL TO FULFILL THE MISSION MUST BE  
PRESENT, FREE FROM HESITATION OR DOUBT.

THE PLUM SHALL ONLY REVEAL ITS GUIDANCE WHEN THE  
CHARACTER OF THE SEEKER REFLECTS CLARITY, AUTHORITY, AND  
READINESS.

**ARTICLE II:** CODE OF CONDUCT AND INTERNAL HARMONY ALL MEMBERS MUST FAITHFULLY ADHERE TO THE INTERNAL FAMILY PRINCIPLES OF THE LINEAGE.

HIERARCHY IS SACRED: ALL MEMBERS SHALL RESPECT AND UPHOLD THE ESTABLISHED ORDER. ALL MEMBERS SHALL UNCONDITIONALLY RECOGNIZE AND OBEY THE HIGHER SPIRITUAL AUTHORITY. RELATIONS AMONG MEMBERS SHALL FOSTER PEACE, UNITY, AND MUTUAL RESPECT. DISCRETION IS ESSENTIAL. MEMBERS SHALL NOT DISCLOSE SACRED PROCEEDINGS OR MEETING DETAILS. SILENCE IS A VIRTUE; BALANCE IS STRENGTH.

**ARTICLE III:** THE 46 PLUM BLOSSOM BOXES. THERE ARE 46 PLUM BLOSSOM BOXES, REGARDED AS DIVINE FAITH TOKENS. THIRTY-SIX OF THESE CONTAIN ESSENTIAL RELICS AND INSTRUCTIONS.

BOXES MAY INCLUDE SACRED SCROLLS, DOCUMENTS, OR "NIGHT LIGHT STORIES" - TEACHINGS PASSED DOWN THROUGH GENERATIONS.

ONE BOX CONTAINS THE "GREAT SEAT," INSCRIBED WITH THE TITLE:  
"THE INTERNATIONAL PLUM BLOSSOM ASSOCIATION SPECIAL PURPOSE CHAPTER."  
TWO LUMINOUS PEARLS, FOUND WITHIN THE BOXES, SYMBOLIZE THE  
GENERATIONAL TRANSMISSION OF SPIRITUAL LEADERSHIP.

**ARTICLE IV:** PURPOSE AND MISSION

THE PURPOSE OF THE PLUM BLOSSOM IMPERIAL LINEAGE IS TO:

- PRESERVE SACRED KNOWLEDGE AND TRANSMIT FAITH TOKENS;
- PROMOTE PEACEKEEPING INFLUENCE ACROSS BORDERS;
- UPHOLD ANCESTRAL WISDOM AND PROVIDE SPIRITUAL GUIDANCE.

RATIFIED AND ISSUED BY THE INTERNATIONAL PLUM BLOSSOM ASSOCIATION

## BIOGRAPHY OF HRH ROBIN SIM HYEOKBO

\*CO-FOUNDER OF VERRA DNA COIN

\*PRESIDENT OF WPP ENERGY INTERNATIONAL BLOSSOM IMPERIAL

LINEAGE - PLUM BLOSSOM DYNASTY REPRESENTATIVE HRH

\*ROBIN SIM HYEOKBO IS A DISTINGUISHED GLOBAL FIGURE KNOWN FOR HIS PIONEERING LEADERSHIP IN CLEAN ENERGY

\*INNOVATION, SUSTAINABLE FINANCE, AND ROYAL HERITAGE DIPLOMACY.

\*AS PRESIDENT OF HRH (HIS ROYAL HIGHNESS) NATIONAL (WORLD POWER PRODUCTION), HE HAS BEEN AT THE FOREFRONT OF IMPLEMENTING GLOBAL SOLUTIONS IN GREEN HYDROGEN, WATER-TO-HYDROGEN (W2H2) SYSTEMS, AND INTERNATIONAL POWER INFRASTRUCTURE. HOLDING THE TITLE OF HRH (HIS ROYAL HIGHNESS), A DIRECT REPRESENTATIVE OF IMPERIAL LINEAGE, A HISTORICAL DYNASTY SYMBOLIZED BY THE PLUM BLOSSOM. THE LINEAGE SPANS ACROSS ANCIENT ROYAL TRADITIONS OF EAST ASIA, WITH CHINA IS ONLY A PART OF ITS EXTENSIVE HISTORY. THIS ENTERS INTO A SUSTAINABLE NEW ECONOMY ORIENTED IN LEGACY.

**IN COLLABORATION WITH KEY PARTNERS AND SOVEREIGN ORGANIZATIONS, HRH CO-FOUNDED VERRA DNA COIN - ACHIEVEMENTS:**

- PRESIDENT OF WPP ENERGY INTERNATIONAL, LEADING WATER-TO-HYDROGEN AND CLEAN ENERGY SOLUTIONS GLOBALLY.
- ROYAL FOUNDER AND REPRESENTATIVE OF THE BLOSSOM IMPERIAL LINEAGE, INTEGRATING ROYALTY WITH HUMANITARIAN AND ECOLOGICAL MISSIONS.
- CO-FOUNDER OF VERRA DNA COIN, A BLOCKCHAIN-BASED ECOSYSTEM BACKED BY CERTIFIED CARBON CREDITS FROM VERRA AND GS.
- LEADING THE GLOBAL INCINERATION REISSUANCE MODEL, ALLOWING CARBON CREDIT-BACKED COINS TO BE REUSED WHILE REDUCING EMISSIONS.
- DEVELOPER OF THE STOINET CARBON CREDIT TOKENIZATION SYSTEM FOR SOVEREIGN WEALTH FUNDS AND TOP-TIER CRYPTO EXCHANGES.
- VISIONARY ARCHITECT BEHIND THE VERRA DNA MEDIA PLATFORM, CLEAN TECH DIPLOMACY, AND CARBON-NEUTRAL GLOBAL TRADE FOUNDATION.

## **INCLUSION, AND ECONOMIC REGENERATION:**

### **SOCIO-ECONOMIC IMPACT PLAN POWERED BY VERRA DNA COIN, GUIDED BY UNSDGS & GLOBAL INTERGOVERNMENTAL COOPERATION**

#### **1. INTRODUCTION:**

THE NEED FOR TRANSFORMATION AS THE WORLD FACES COMPOUNDING CRISES-CLIMATE CHANGE, WASTE POLLUTION, ECONOMIC DISPARITY, AND SOVEREIGN DEBT-THERE IS A GROWING DEMAND FOR SUSTAINABLE, INCLUSIVE, AND DECENTRALIZED FINANCIAL SYSTEMS. THE VERRA DNA COIN EMERGES AS A SOVEREIGN-BACKED, CARBON-CREDIT-BASED DIGITAL CURRENCY THAT SERVES NOT ONLY AS A STORE OF ENVIRONMENTAL VALUE, BUT AS A UNIFYING INSTRUMENT OF ECONOMIC EMPOWERMENT, CLIMATE ACTION, AND PEACE.

#### **2. THE ROLE OF THE UNITED NATIONS SDGS (UNSDGS)**

THE UN SUSTAINABLE DEVELOPMENT GOALS (UNSDGS) PROVIDE A CLEAR FRAMEWORK FOR GLOBAL TRANSFORMATION. THE VERRA DNA COIN IS ALIGNED DIRECTLY WITH THE FOLLOWING KEY SDGS:

- SDG 1 - NO POVERTY: DISTRIBUTES TOKENIZED CLEAN ENERGY AND CARBON INCOME TO VULNERABLE COMMUNITIES.

- SDG 2 - AFFORDABLE AND CLEAN ENERGY: FUNDS WPP/ WPPEI-BACKED WASTE-TO-ENERGY, HYDROGEN, AND SOLAR INFRASTRUCTURE.
- SDG 3 - DECENT WORK AND ECONOMIC GROWTH: CREATES CARBON-BACKED MICROECONOMIES WITH JOB CREATION AND COIN INCENTIVES.
- SDG 4 - INDUSTRY, INNOVATION & INFRASTRUCTURE: DEPLOYS MOBILE GASIFICATION AND ECOFUSION CLEAN TECH TO LOCAL HUBS.
- SDG 5- SUSTAINABLE CITIES & COMMUNITIES: FINANCES SMART SDG CITIES WITH DECENTRALIZED ENERGY AND CARBON SYSTEMS.
- SDG 6 - CLIMATE ACTION: INSTITUTIONALIZES CARBON CREDITS AS ECONOMIC ASSETS, ENABLING GLOBAL NET-ZERO PROGRESS.

### **3. INTERGOVERNMENTAL ORGANIZATION (IGO) COLLABORATION.**

VERRA DNA COIN WILL PARTNER WITH LEADING IGOS TO ENABLE SOVEREIGN AND COMMUNITY-SCALE DEPLOYMENT: KEY IGO STAKEHOLDERS.

- UNASDG (UNITED NATIONS ALLIANCE FOR SDGS) - INNOVATION HUB AND DEPLOYMENT FRAMEWORK
- UNDP - TECHNICAL COOPERATION AND INFRASTRUCTURE FUNDING.
- UNESCAP, UNECA, UN-HABITAT - URBAN SDG CITY INTEGRATION.

.

ISO, IRENA, UNIDO - STANDARDIZATION, TECHNOLOGY VALIDATION, AND SOVEREIGN CLEAN ENERGY DEPLOYMENT.

- LEAGUE OF ARAB STATES, AFRICAN UNION, ASEAN- REGIONAL ADOPTION MODELS.

- FUND CARBON-NEUTRAL HOUSING, EDUCATION, HEALTH, AND ENERGY ACCESS.

#### PHASE III: GLOBAL INTEGRATION (2028-2030)

- INTRODUCE VERRA DNA COIN INTO IGO-SUPPORTED SOVEREIGN DEVELOPMENT PLANS.
- TRADE CARBON CREDITS BETWEEN NATIONS USING THE COIN AS MEDIUM OF EXCHANGE.
- INCLUDE VERRA DNA COIN IN REGIONAL RESERVE FUND MODELS AND SOVEREIGN WEALTH PORTFOLIOS.

#### **4. SOCIAL EQUITY DESIGN**

- DECENTRALIZED DISTRIBUTION: USE SMART CONTRACTS TO ALLOCATE COINS TO VERIFIED CLEAN ACTIONS (E.G., RECYCLING, SOLAR ADOPTION).
- WOMEN AND YOUTH FUNDS: RESERVE 10% OF COIN PROFITS TO FUND EDUCATION, LEADERSHIP, AND CLIMATE ENTREPRENEUR PROGRAMS.
- PEACE & POST-CONFLICT APPLICATIONS: INTRODUCE THE COIN IN REFUGEE AND POST-CONFLICT ZONES TO REBUILD TRUST, VALUE, AND CLEAN INFRASTRUCTURE.

#### **5. EXPECTED IMPACT BY 2030**

- 1 BILLION TONS OF CARBON EMISSIONS OFFSET.
- 10 MILLION+ JOBS CREATED IN GREEN INFRASTRUCTURE AND CLEAN TECHNOLOGY.
- 5,000+ SDG CITIES INTEGRATED WITH COIN-BASED CLEAN INFRASTRUCTURE SYSTEMS.
- 30% INCREASE IN CLEAN ENERGY ACCESS IN PARTICIPATING NATIONS.
- GLOBAL CARBON CREDIT ECONOMY MAINSTREAMED AND TIED TO DIGITAL PUBLIC GOODS.

## 6. CLOSING VISION

THE VERRA DNA COIN IS NOT JUST A VIRTUAL CURRENCY. IT IS A NEW SOCIAL CONTRACT-A SOVEREIGN-BACKED, BLOCKCHAIN-POWERED, SDG-ALIGNED VALUE SYSTEM THAT REWARDS CLIMATE RESPONSIBILITY, REGENERATES LOCAL ECONOMIES, AND RESTORES DIGNITY TO THE WORLD'S MOST VULNERABLE.

TOGETHER WITH THE PLUM BLOSSOM IMPERIAL LINEAGE, UNASDG, AND TRUSTED INTERGOVERNMENTAL PARTNERS, WE STAND READY TO INITIATE THE GREATEST PEACE-DRIVEN CLEAN ENERGY ECONOMY IN HUMAN.

# PLUM BLOSSOM IMPERIAL LINEAGE

## VERRA DNA COIN

## ROYAL CARBON CREDIT COIN

His Royal Highness

**ROBIN SIM HYEOKBO**

# VERRA DNA COIN

## Royal Carbon Credit Coin

Introducing VERRA DNA, a revolutionary carbon credit-based digital currency that merges royal heritage with sustainable finance. Initiated by HRH Robin Sim HYEOKBO of the Plum Blossom Imperial Lineage and supported by UNASDG IGO, this pioneering project transforms environmental value into economic empowerment.

VERRA DNA represents a new paradigm in sustainable finance-where ancient wisdom meets modern innovation, creating a sovereign- backed ecosystem that addresses climate change while promoting global economic regeneration and peace.

# The Plum Blossom Imperial Lineage

The Plum Blossom Imperial Lineage operates under a sacred constitution codified from the 46 Plum Blossom Box Instruction Booklet issued in 1938. This ancient lineage spans across the royal traditions of East Asia, with a foundation built on faith, character, and internal harmony.

Membership engagement occurs through sacred, one-way contact initiated by faith tokens. The lineage preserves sacred knowledge, promotes peacekeeping influence across borders, and upholds ancestral wisdom while providing spiritual guidance to the world.

## HRH Robin Sim HYEOKBO: Royal Visionary

**Royal Heritage**  
Direct representative of the Plum Blossom Imperial Lineage, integrating royalty with humanitarian and ecological missions across ancient East Asian traditions.

### Energy Leadership

President of WPP Energy International, pioneering water-to-hydrogen systems and clean energy solutions on a global scale.

### Financial Innovation

Co-founder of VERRA DNA Coin, developing the StoiNet carbon credit tokenization system for sovereign wealth funds and top-tier crypto exchanges.

HRH Robin Sim HYEOKBO stands as a distinguished global figure at the intersection of royal heritage, clean energy innovation, and sustainable finance. His visionary leadership has positioned him at the forefront of implementing global solutions in green hydrogen, water-to-hydrogen systems, and international power infrastructure.

# VERRA DNA COIN: Carbon-Backed Innovation

VERRA DNA Coin represents a breakthrough in blockchain-based ecosystems, uniquely backed by certified carbon credits from respected environmental standards organizations. The innovative Global Incineration Reissuance Model allows carbon credit-backed coins to be reused while continuously reducing emissions.

Through the StoiNet carbon credit tokenization system, VERRA DNA creates a bridge between traditional sovereign wealth funds and modern crypto exchanges, establishing a new paradigm for sustainable finance with royal backing.

# THE NEED FOR TRANSFORMATION

## Global Crises

Climate change, waste pollution, economic disparity

## Financial Evolution

Sustainable, inclusive, decentralized

## Environmental Value

Carbon credits as  
economic assets

As the world faces compounding crises including climate change, waste pollution, economic disparity, and sovereign debt, there is an urgent demand for sustainable, inclusive, and decentralized financial systems that can address these challenges holistically.

VERRA DNA Coin emerges as a sovereign-backed, carbon-credit-based digital currency that serves not only as a store of environmental value but as a unifying instrument of economic empowerment, climate action, and peace-bridging ancient wisdom with future needs.

# Alignment with UN Sustainable Development Goals

**No Poverty**  
(SDG 1)

**Clean Energy**  
(SDG 7)

**Economic Growth**  
(SDG 8)

**Sustainable Cities**  
(SDG 11)

**Distributes tokenized  
clean energy and  
carbon income to  
vulnerable  
communities**

**Funds waste-to energy ,  
hydrogen, and solar  
infrastructure**

**Creates carbon  
backed  
microeconomies with  
job creation**

**Finances smart  
SDG cities with  
decentralized systems**

The UN Sustainable Development Goals provide a clear framework for global transformation, and VERRA DNA Coin aligns directly with multiple SDGs. Beyond those highlighted above, the coin also supports SDG 9 (Industry, Innovation & Infrastructure) by deploying mobile gasification and EcoFusion clean tech to local hubs.

Perhaps most critically, VERRA DNA addresses SDG 13 (Climate Action) by institutionalizing carbon credits as economic assets, enabling global net-zero progress through financial incentives and royal

# Intergovernmental Organization Collaboration

UNASDG UNDP UNESCAP ISO/IRENA

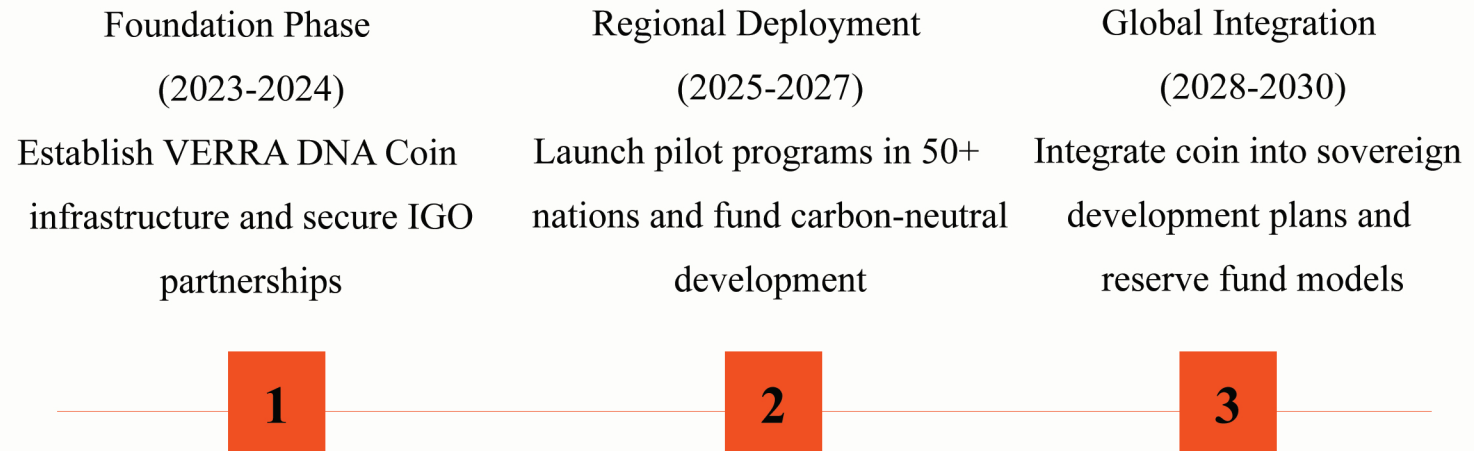

League of Arab States African Union ASEAN

VERRA DNA Coin will partner with leading Intergovernmental Organizations (IGOs) to enable sovereign and community-scale deployment. The United Nations Alliance for SDGs (UNASDG) serves as the primary innovation hub and deployment framework, while UNDP provides technical cooperation and infrastructure funding.

Regional organizations like the League of Arab States, African Union, and ASEAN will develop adoption models tailored to their specific contexts. Technical bodies including ISO, IRENA, and UNIDO will ensure standardization, technology validation, and sovereign clean energy deployment across participating nations.

# Implementation Roadmap

The implementation of VERRA DNA follows a strategic three-phase approach. During the Foundation Phase, the focus is on establishing the technical infrastructure, securing IGO partnerships, and launching initial pilot programs in select regions with strong royal connections.

The Regional Deployment phase will expand to 50+ nations with pilot programs in carbon-neutral housing, education, health, and energy access. By the Global Integration phase, VERRA DNA Coin will be incorporated into IGO-supported sovereign development plans and regional reserve fund models.

# Social Equity Design

## **Decentralized Distribution**

Smart contracts allocate coins to verified clean actions like recycling and solar adoption

## **Women and Youth Funds**

of coin profits reserved for education, leadership, and climate entrepreneur 10% programs

## **Peace Applications**

Introduction in refugee and post-conflict zones to rebuild trust, value, and clean infrastructure

VERRA DNA Coin is designed with social equity at its core. The decentralized distribution system ensures that benefits reach those taking positive environmental actions, regardless of their economic status. This approach democratizes access to financial rewards for climate-positive behaviors.

By specifically allocating funds for women and youth programs, the coin addresses historical inequities while building capacity for future leadership. The application in post-conflict zones demonstrates the royal commitment to peace and reconstruction through sustainable economic tools.

VERRA DNA Coin represents more than a virtual currency-it is a new social contract. A sovereign-backed, blockchain-powered, SDG-aligned value system that rewards climate responsibility, regenerates local economies, and restores dignity to the world's most vulnerable populations. Together with the Plum Blossom Imperial Lineage, UNASDG, and trusted intergovernmental partners, VERRA DNA stands ready to initiate the greatest peace-driven clean energy economy in human history-bridging ancient royal wisdom with the sustainable future we all deserve. We have existed on this land with a mission to God to play for all mankind and to protect the nobility of that soul.
